

Architectural Review Application

In order to maintain the beauty and integrity of our community, the Taylor Lakes Architectural Review Committee has formed architectural standards that all residents are required to uphold. If you are considering alterations or improvements to your property, please review the ARC Guidelines and complete this application. Your application will be submitted to the Architectural Review Committee for consideration and approval. **At a minimum, plans should contain elevations, floor plan, landscaping plan, all exterior colors and building materials.**

Examples of alterations/improvements: Fences, swimming pool, landscaping, exterior painting to change color of home or change of exterior materials, house, garage, shed, balcony, patio, light post, retaining wall, terrace, driveway, mailbox, etc.

Please turn in the following with your application:

- 1) Plans: Please show the proposed improvement in relation to property lines, easements, open space, drainage ditches, neighboring homes, street, etc.
- 2) Elevation: A head on view of your proposed improvement. This should show height, width, distance above finished grade and details of the proposed request. Please be as specific as possible.
- 3) Photographs: Any photographs of the proposed improvement should be submitted. i.e. a picture of play set, shed, fence, etc.
